# Rajanbir Singh

## Contact

### Address

6 Glade Side Pl  
Brampton, ON, L6S

### Phone

204 955 5272

### E-mail

singh.rbir@gmail.com

### WWW

singhr.netlify.com

### LinkedIn

<https://www.linkedin.com/in/singh-rbir/>

## Professional Summary

Results-driven and solution-oriented individual. For me, CS is more about problem-solving, than just writing code. I take a keen interest in Java, Android Development, back-end programming and front-end frameworks.

## Experience and Projects

### Voice Alarm - Android App on Google Play Store

Individual Project

**LINK:** <https://bit.ly/2MYPiZK>

- A *unique* Alarm Clock app that requires the user's voice to dismiss the alarm.
- Makes use of SpeechRecognizer API, AsyncTask, **Alarm manager**, and **integrated MySQL** in Java.

### Portfolio Website

Individual Project

**LINK:** <https://singhr.netlify.com>
